## Important Message for Parents

This trip is designed as a ministry to parents. For those that would like their students to have a "Spring Break" beach experience but not entirely without supervision. We provide minimal supervision on this trip. Students will stay up late, get up late, and have lots of free time. If you are concerned about your student's ability to handle this freedom, please keep them at home. We do have rules, a lot of them actually (ex: curfew, no walking alone, etc etc)

We, the undersigned, are the parents having legal custody, or the legal guardians of named student, a minor, and have given our consent for him/her to participate in Westover HS Ministry Spring Break Trip, operated by Westover Church. In the event that he/she is injured while attending the event and requires attention from a doctor, we consent to any reasonable medical treatment deemed necessary by the licensed physician. In the event treatment is called for which a physician and/or hospital personnel refuse to administer without our consent, we hereby authorize Pastor John Freeman or other Westover Church adult volunteers to give such consent for us if we cannot be reached by telephone at one of the numbers indicated below, or, if because of an emergency, there is not time or opportunity to make a phone call. In the event it becomes necessary for the person to give consent for us, we agree to hold such person free and harmless of any claims, demands, or suits of damages arising from the giving of such consent so long as the treatment is administered by or under the supervision of a licensed physician.
